MANUAL REGISTRATION

Participants wishing to pay **VIA CHEQUE** and/or **enter RELAY TEAM** entries will use **official Manitoba Marathon entry forms**. Team leaders are to record the appropriate information on the bulk sheets (downloadable from our website: Participate - Champions in Training - CIT Print Materials). **Schools requiring data entry support would ideally have their entry forms and a copy of the completed bulk sheets couriered to the Manitoba Marathon office by the morning of May 29th, 2017.** Your school pick up appointment would then depend upon our data entry completion, probably end of school week. Any last minute registrations can be brought to your pickup appointment.

- ◆ **Please have cheques (for manual registrations) made payable to your school and in turn issue one cheque to the Manitoba Marathon.** This speeds up pickup appointments significantly.
- ◆ **All manual entries must be on official Manitoba Marathon entry forms – accompanied by bulk summary sheets**
- ◆ There is a Relay Bulk sheet (4) teams per sheet and an individual events sheet with (30) spaces for names.
- ◆ **Bring the originals of your bulk sheets, your official Manitoba Marathon entry forms and payment to your appointment.**
- ◆ All entry forms must be **complete and legible for event entry.**
- ◆ **PLEASE NOTE: unpaid race packages cannot be released.**
- ◆ In order to ensure runners receive their correct time, it is extremely important that the bib number assigned to each runner is the one he or she wears. Plus, it is important that relay teams follow the rules set out for this event as identified on our website.
