

Thank you for registering for the 1st annual Hot Chocolate Hustle at Fort Whyte Alive! We can't wait to see you at the start line this Sunday, January 29th!

Please pick up your race kit prior to the event.

Package pick-up is being held at the Kenaston Running Room, 1875 Grant Ave.

Friday, January 27th from 4pm-7pm

Saturday, January 28th from 10am-3pm

If you are not able to pick up your package in person, you are welcome to have someone else pick it up for you.

This event is SOLD OUT! If you are not able to make it, you are welcome to transfer your registration to another runner no later than midnight on Thursday, January 26th. **Transfers** can be completed online by using the transfer button on the [registration page](#).

Bag Check will be available on race day in the Interpretive Centre from 7:45am-12:30pm. Please do not leave valuables in your checked bags. We encourage you to bring dry clothes to change into after your run so that you can enjoy your breakfast in comfort!

Parking will be available on-site throughout the morning. Participants are encouraged to carpool whenever possible as parking space is limited. Please follow the guidance of the parking marshals when you arrive.

Breakfast will be served starting at 9:15. Please note that due to limited seating capacity, only registered runners will be able to eat in the restaurant on race morning. Takeaway food and beverages will be available to spectators at the Buffalo Stone Cafe. We can't wait for you to enjoy your post-race pancakes, but kindly ask that you limit your time in the restaurant to allow for runners finishing after you to have their breakfast as well.

Lastly, this is a trail race! We are so excited to have runners back on the beautiful trails of Fort Whyte Alive. Please remember that the team has done their best to make sure the trails are cleared and groomed, but there may be parts of the course that are slightly more narrow and rugged! Please be courteous to runners who are passing you as there are sections of the course that overlap! High Fives are always appreciated!

There will be plenty of signs and course marshals on the route, but please take the time to review the [course map](#) here prior to the race!
