

Champions In Training: Registration Guide 2026

Online Registration closes June 5, 2026

Step One: Visit the Manitoba Marathon Website www.manitobamarathon.mb.ca.

Step Two: Navigate to the Champions In Training Section From the homepage, select the '**Programs**' tab and choose '**Champions In Training School Program**', then click '**Register**'. Schools and students must register through this platform to receive school rates. Registrations submitted through the public registration platform cannot be transferred.

Step Three: Register Online or Manually

Complete Online Registration:

- School Leader:** Select '**School Team Registration**,' then choose '**School Team Captain Registration**.' This step must be completed by a teacher before students or families can register. Your school must be registered prior to participant sign-up. Do not select School Team Registration unless you are a teacher registering a school.
- Participants:** Students and families registering for in-person events on June 21, 2026 should select '**In Person Races**,' choose their desired event distance, then select '**I am a participant joining my school team**' then, find your school name in the drop down. Complete the remaining registration details.

Complete Manual Registration:

Manual registration forms are available through the Champions In Training School website or from your school's appointed leader and are required if you are not registering online. Manual registrations may be paid by cash or cheque payable to the Manitoba Marathon Foundation.

All relay registrations must be completed manually, and cannot be done online.
